### **NUESTRA HISTORIA**

#### **NEMESIO CIORDIA ALVAREZ**

Nació en Espronceda 24-6-1925, donde vivió, hasta que se trasladó con sus padres y hermanos a Rentería en 1940.

Con estudios básicos (los que había en esa época), comienza a trabajar, como ayudante en una tornillería, destaca rápidamente.

Junto a su gran inteligencia y su capacidad para el trabajo (ilusión, dedicación y un enorme tesón), amplía su formación (después de la jornada de trabajo de 10 horas) se desplazaba diariamente a Éibar a estudiar mecánica, matemáticas y dibujo, se formó un extraordinario mecánico de tornillería, lo disputaban todas las tornillerías de la zona.

Durante su vida profesional le llegaron ofertas de trabajo de empresas importantes, pero su ilusión era tener su propia empresa.

En 1955 llega a Corella, monta su empresa de tornillería con máquinas ideadas y fabricadas por él, esa empresa, se la compra el monopolio de la tornillería, ya que era muy molesta, como competencia de dicho monopolio.

1965 aprox. un amigo que trabajaba en Francia, le enseñó unos remaches, que utilizaba una empresa del automóvil, los remaches estaban considerados prácticamente como secreto industrial en esa época, Nemesio tenía un taller y entre horas, iba desarrollando el proyecto para fabricarlos, con la sola información de un remache en la mano.

A base de muchas pruebas, consiguió fabricar unas máquinas totalmente ideadas y fabricadas por él en su taller, para la fabricación de remaches y por fin en 1971 nace **REMACHES CYA (Ciordia Álvarez)** como empresa (se llamaba NEMESIO CIORDIA ALVAREZ).

En la actualidad la fábrica de **Remaches CYA (Ciordia Álvarez)** esta regentada por sus dos hijos: Miguel Ángel Ciordia Gil e Ignacio Ciordia Gil, donde siguen con la fabricación y venta de remaches, manteniendo los valores y la mentalidad de trabajo inculcados por Nemesio Ciordia Álvarez – EL FUNDADOR -
